Body formed from the immeasurable two collections of excellent virtue; Speech fulfilling the hopes of all the countless transmigratory beings; Mind seeing however many phenomena exist without exception: Giver of life, Wish-Fulfilling Wheel, please grant auspiciousness.

The lords of sages, who spontaneously accomplish the two aims, Appear in the form of virtuous friends in these degenerate times And benefit others with the activities of the victorious ones and their spiritual sons: May the glorious guru live long.

ब्रुप्तं, योय्तं, त्यात्रं क्षेत्रं, त्यात्रं क्षेत्रं, त्यात्रं क्षेत्रं, त्यात्रं क्षेत्रं, त्यात्रं त्यात्यात्यात्यात्रं त्यात्रं त्यात्य

With a mind of love and compassion benefiting all beings And supreme exalted deeds forever fulfilling others' aims, You bestow the happiness of the Dharma teachings in whatever way is needed: May you live long as an ornament upholding the Buddha's teachings.

In this and other lives, may I and everyone else Enter the doorway of the path to sublime liberation Together with the savior, the glorious holy guru, And uphold the kingdom of the supreme vehicle.

By the blessings of the Three Jewels and the oceans of victorious ones, And by the power of the completely pure and infallible sphere of phenomena, May all be auspicious for the aims desired by those with stainless minds To be spontaneously accomplished without obstacle.
