## Dharmaling Summer Seminar 2017

20 to 26<sup>th</sup> of August, in Hungary

The focus of this seminar will be:

### **Mental pacification and the means to reach it**

Like previous seminars, the form of the seminar will be interactive, based on the questions of the participants, covering that way the largest panel of topics possible.

As usual, beside the daily program, we will have some evening sessions with specific contents such as: “the 9 breaths of purification”, “the Inner Fire” <sup>(1)</sup>, “the 6 Yogas de Naropa” <sup>(2)</sup>, ...

The seminar should be led by **Lama Shenpen Rinpoche**, would His health permits, otherwise Rinpoche will appoint another teacher.

We do our best that the seminar could be accessible to anyone, trying to keep the costs as low as possible. The recommended participation - which includes lodging & vegetarian meals – is this year : **290 €** <sup>(3)</sup>.

At registration, 150 € shall be transferred to the bank account of Dharmaling <sup>(4)</sup>, or in cash at our Centre in Ljubljana. The rest should be transferred or given in cash at least 1 month before the seminar.

► Do register as soon as possible to ensure your place at the seminar ◀

Fill out the registration form and send it by e-address, by post, or bring it to us directly
